

Murdr

music and lyrics by Ben McClelland

This ain't no pink panther girl
This ain't no cinema vibe
Nobody here ordered popcorn
You ain't no Bonnie and I ain't no Clyde

Misdemeanor don't do me justice
When your heart is mine
Cuz I'm a murderer

Grand theft auto felony counts
I did that when I was a child
Kids play Easy peasy uncomplicated
Call me when u learn how to fly
Careful what u wish for
If you give me your heart
You'll disappear in the blink of an eye
Misdemeanor don't do me justice
When your heart is mine
